**Do you know that,** according to the opinions of some of the world's greatest thinkers, recent Jew exposures and Jewish confessions reveal the following most alarming facts:

1. The population of the Jews in the United States has increased from 4,288,829 in 1927, to 12,046,608 in 1937 and in 1939 around 15,000,000. They are illegally swarming into the United States at the appalling rate of perhaps a million a year. The Jews conceal their actual population growth, claiming there are only 20,000,000 in the world, but facts reveal there are from 80,000,000 to 100,000,000 Jews throughout the world. The total world population is about 2,264,000,000.

2. It is claimed the Jews own and control over $500,000,000,000.00 in wealth throughout the world. They hold practically all of the gold. The U. S. Government has buried $17,000,000,000.00 in gold in Kentucky, which it is claimed is indirectly subject to Jewish orders for removal to any other country. **Gold is the machinery that runs the nations, and the lack of it ruins them.**

3. It is claimed the Jews and Jewish international bankers own and control practically all of the large banks, financial institutions and stock exchanges of the world, and that they fix prices, create panics, depressions, gigantic turmoils, unemployment, strikes, and chaos without precedent. They create crime and graft, incite wars, revolutions and pogroms, which is their means of acquiring control of a nation, all in accord with their plots and schemes, centuries old, to secure a world-wide despotic rule and domination.

This is revealed in the "Protocols of Zion" which are records or minutes of the meetings of the Jewish elders and leaders, beginning centuries ago and brought up to modern times. They reveal their diabolical plots and schemes for world despotic domination. Everyone should read them. They enable one to analyze the trend of events throughout the world as influenced by Jewish activities. Their authenticity is unquestionable but not as important as the fact that, according to the opinions of many, they fit conditions today.

4. A FEW EXCERPTS OF THE "PROTOCOLS":

"We have set all forces in opposition, one to another, and when by means of wholesale destruction, effected everywhere, rendering the Goyim (non-Jews) impotent and easy to conquer, we shall rise over them to an easy victory." . . . "We shall force the Christians (all non-Jews) into wars by exploiting their pride and stupidity." . . . "Wars have this special value to us Jews: Christians massacre each other and make room for us to put our own people into, while we remain in the shade and reap the profits." . . . "Nearly 100,000,000 Christians have been swept from the face of the earth already by wars which the Jews have incited, and which are not yet over by any means." . . . "When we come into our kingdom no other religion shall exist other than ours. Therefore, we must sweep away all other forms of belief." . . . "When we at last definitely come into our kingdom by the aid of a coup d'etat, **after the worthlessness of all existing forms of government has been definitely acknowledged,** we shall make it our task to see that against us such things as plots shall no longer exist. With this purpose **we shall slay without mercy, all who take arms in hand to oppose our coming into our kingdom."** . . . "Make your sons advocates and lawyers and mix with affairs of state, in order that by putting Christians under your yoke, you may dominate the world and be avenged on them." . . . "Make your sons doctors and apothecaries that they may take away Christians' lives." . . . "We shall establish huge monopolies, etc." . . . "We shall erase the word 'Freedom' from the lexicon of fate." . . . "Voting, which we have made the instrument which will set us on the throne of the world, will be controlled by us." . . . "We shall saddle and bridle the press with a tight curb. Not a single announcement will reach the public without our control." . . . "We will control and direct the education of the Goyim (all non-Jews) for the purpose of training their minds in the direction we want." . . . "We shall undermine the sources of production by accustoming the workers to anarchy and drunkenness and taking all measures to extirpate from the earth all educated forces of the Goyim (non-Jews)." . . . "We shall raise wages but the workers will derive no advantage, for we shall also raise prices of necessities." . . . "But without control of the world's press the power of gold could not be maintained."

5. More Jews were inaugurated into "key" positions in the F. D. Roosevelt regime than in any administration in the history of America. **These positions were acquired by appointment, not by voting.** Non-Jew Americans are not given the privilege of voting against these Jews or hired Jew agents. **This power of appointment must be removed from government officials and placed in the hands of the people, likewise only the people must be given the right to declare war.** (Procure a list of Jews who control America, many of whom are foreign Jews; also a list of 100 Jew exposure agencies in the world, where the "Protocols" and other literature can be had from Aryan Book Store, 634 West 15th Street, Los Angeles, Calif.; Robert Edward Edmonson, Stoddartsville, Penna., U.S.A., or from the Pelley Publishers, Box 2630, Asheville, North Carolina.)

6. It is the opinion that: The Jews own or control the press, motion pictures, theatres, radios, entertainment, education, and practically all methods of communication, and

The term "Jews" herein is intended to include only Jewish leaders and those who cooperate in their criminal schemes; and not the many fine Jewish people who are innocent victims of such leaders.

## F. D. R. ORDERS BIBLE CHANGES
## BOAKE CARTER'S ANTI-CHRIST "BIBLE"

LIBRARY OF CONGRESS 3 1 8 1976

By
ELIZABETH DILLING*

WHO could have believed this possible? The Catholic Church, largest Christian denomination in the U. S. A. (with over 22,000,000 members), chose the New Testament version, "MY DAILY READING FROM THE NEW TESTAMENT", for distribution to Catholics in the armed forces. This version bears the endorsement of Bishop Edwin V. O'Hara as "Chairman of the Episcopal Committee of the Confraternity of Christian Doctrine, under whose auspices the new translation of the New Testament was authorized", together with his commendation of its arrangement into dated daily readings, by Rev. Jos. F. Stedman. The printing plates were loaned to the Government which printed and distributed hundreds of thousands of copies, along with versions selected by other denominations.

The Jewish press and the New York World Telegram, April 15, 1943, announced that the PROTESTANT TEXTBOOK COMMISSION TO ELIMINATE ANTI-SEMITIC STATEMENTS IN AMERICAN TEXTBOOKS (backed by pro-Red, anti-Christian B'nai B'rith, and headed by Kenneth Leslie, editor of the very red "PROTESTANT" magazine) had wired President Roosevelt protesting "statements alleged to be anti-Semitic", in this Catholic Testament. One footnote "directed to the President's attention was 'The Jews are the Synagogue of Satan'" (Revelation, 2:9—in Catholic versions Apocalypse, 2:9). "On another page of the version appears the subhead 'Israel's Fall the Gentile's Salvation'. Other subheads were 'unwisely chosen', it was said".

The above protested subhead refers to Romans, 11:11, which in this Catholic text (p. 435), is translated, **"by their offense salvation has come to the Gentiles"**, and in the Scofield Bible, a Protestant translation, **"through their fall salvation is come unto the Gentiles"**. In protesting such subheads the Bible is protested.

Soon after the demand that these be changed, we read in the press (AP, April 26, 1943) the announcement of Brig. Gen. W. R. Arnold, Commander-in-Chief-Roosevelt's chief of army chaplains, that corrections are being made!

### THE BIBLE THEIR TARGET

The meaning of Catholic and Protestant translations is the same. The Bible is one. The real target of this Red Jewish protest group is the Bible itself. As the "Jewish Sentinel", April 22, 1943, commented: "Leaders in the churches have realized to what extent religious prejudices, and particularly anti-Semitism are religiously motivated . . . you can't stamp out religious intolerance and prejudice by celebrating one Brotherhood Week and Day a year, if during the rest of the year the poison of religious bigotry . . . is spread and prescribed as **'the faith delivered to the saints'"**. In other words, Biblical Christianity which is critical of Jewry must NOT be taught!

The word "Protestant" seems to have been added to the Textbook Commission's title for the attack on the Catholic Testament. In the March issue of the "Protestant" magazine, on the Textbook Commission's current letterhead and literature and on its huge ads in behalf of Jewry (Chicago Sun, February 12, 1943; Chicago News, February 20, 1943, etc.) it is entitled THE TEXTBOOK COMMISSION TO ELIMINATE ANTI-SEMITIC STATEMENTS IN AMERICAN TEXTBOOKS. A half page illustration by Arthur Szyz, Polish Jewish illustrator for the Committee for a Jewish Army, adorned one of these Textbook Commission's ads.

### PITTING CHRISTIANS AGAINST EACH OTHER

By calling themselves and their protest **"PROTESTANT"**, this Red-Jewish group not only besmirches Bible-believing, anti-Communist, non-Catholic Christians, but also, cunningly, stirs up strife between Protestant and Catholic Christendom—a Satanic ruse. The Jewish press are elated at their victory. The "Jewish Sentinel", April 29, 1943, says: "Distribution of the book containing New Testament readings to Catholic personnel in the United States armed forces has been discontinued by order of the Commander-in-Chief, President Roosevelt . . . thanks to the PROTESTANT TEXTBOOK COMMISSION headed by Kenneth Leslie."

### CATHOLICS BOW TO B'NAI B'RITH N.C.C.J.

The "Jewish Examiner", April 30, 1943, elated at length. To quote, in part: "Action was taken by the Catholic Biblical Association and the Confraternity of Christian Doctrine following an exchange of communications with the NATIONAL CONFERENCE OF CHRISTIANS AND JEWS" (creature of B'nai B'rith) "and a personal interview with Chief of Chaplains Arnold by Andrew W. Gottschall, national director of the Conference's Program in Army Camps,

**ISRAEL AND THE UN.** Israel is making a blessed nuisance of herself in the eyes of the world and the United Nations. She has become quite brazen and belligerent, much to the annoyance of the United Nations. It is this which eventually leads to the Battle of Armageddon.

This also leads to war with Russia.

Of the 479 meetings held by the UN, 169 have been devoted to Palestine. At least 70 resolutions have been adopted with regard to that little country.

Created though it was by the United Nations, Israel, in the course of the few years which have elapsed since its birth, has constantly displayed calculated defiance to the collective will of the UN; the United Nations has condemned Israel at least 20 times for the organized raids which its regular armed forces have launched on the territories of the adjacent Arab states.

It was Israeli citizens who assassinated the United Nations mediator Bernadotte and his aide, Andre Scrot.

In an endeavor to solve the problem of the Israel and Arab dispute, the United Nations partitioned Palestine, giving a portion of the land to the Israelites and a portion to the Arabs, and internationalizing a portion in between.

The United Nations should not have done this. "The earth is the Lord's." He drove the Canaanite out of Palestine in the first place and gave their land as an heritage to Israel for "an everlasting possession."

And, although the United Nations speaks of this partitioning as one of the most "dramatic chapters of early United Nations history;"

Whereas, this partitioning of Palestine leads to the visitation of the great plagues (Zech. 14:12-15), "wherewith the Lord will smite all the people who have fought against Jerusalem;"

Scripture: "I will also gather all nations, and will bring them down into the valley of Jehosaphat (for the Battle of Armageddon), and will plead with them there (by plagues) for My people and for My heritage Israel, whom they have scattered among the nations, **AND PARTED MY LAND**." Joel 3:2.

So, what the United Nations thinks was a very smart move in partitioning the land, they will receive extra punishment for it at the time of Armageddon.

All these brazen and belligerent acts by the Israelites are laying the ground work for the reason of the coming Battle of Armageddon.

**ISRAEL AND THE ARAB.** The scattering of the Jews among the nations began in the year 70 when Titus, the Roman general, came up with his army and devastated Jerusalem, instituting terrific persecution against the Jews, who then fled in among the different nations.

As the Israelites moved out the Arabs moved in. Their religion is Mohammedanism. They are the worst of the heathen because they come with their Koran — their bible, in one hand and the sword in the other. If you refuse the Koran, they give you the sword.

## THE JEWISH WILL FOR POWER AND THE AUTHENTICITY OF THE "PROTOCOLS"

In our division of the Hebrew question *(Vita Italiana, September)* we promised to return to two aspects of the problem, on the one hand, the specific character of Jewry in culture, on the other, the thesis according to which the famous "Protocols" are authentic in so far as they reflect the spirit of the most orthodox Hebrew tradition as regards the will for world domination innate in the Israelite Messianic idea. It is to this second point that we dedicate the present article.

It will not be superfluous to point out at once the fact that the Jews have sought every means to demonstrate the falsity and "plagiarism" of documents such as the "Protocols", but with all caution they have always avoided facing the problem, which is much more essential and important, of the correspondence, or non-correspondence, of this document and likewise of other writings on the basis of which it is pretended, with more or less justification, that this was compiled with the views which every true Hebrew can defend. To demonstrate a lack of correspondence would, indeed, have been a desperate undertaking. In another article which we have written in the meantime, and in which we made reference to the litigation against the "Protocols" at Berne *(Vita Italiana, October)* we have already shown that everything adopted by the emissaries of Jewry fails to demonstrate the falsity of the "Protocols". Now we wish to proceed and to keep the promise made to our readers, showing by documentation that the "Protocols", far from being false, are even *true,* in this sense: that they reflect the spirit and the program of action of Jewry, ancient and modern.

For such documentation it would be absurd to seek new data beyond those which anti-Semitics have gathered together over a considerable period of time through the labors of a whole series of scholars. However, it is a fact that this documentation is scarcely known to us in Italy. From this
